Good Luck to all Specialty Participants!

Guest Judges

Giovanni Barbieri – hunt test judge - Italy

Amadeo Bottero – conformation judge - Italy

Delores Burkholder AKC conformation judge - USA

Delores married a dog person in 1966 and became immersed in breeding and handling. By 1972, she and her husband, Bob, were full-time all breed handlers. As breeders, they have bred English Setters and English Cocker Spaniels. Having an ongoing curiosity about other breeds, Delores and Bob have owned dogs from each of the seven groups. Delores was a founding member of the St. Croix Valley Kennel Club where she has been an officer as well as a member of the show committee for several years.

As a professional handler, she was a board member of the Professional Handlers Association. She joined the American Kennel Club in June of 1994 as an Executive Field Representative and covers shows in the Illinois-Wisconsin area. Delores and Bob live in the historical village of Rockton, Illinois, with their Affenpinscher, Lucy. Maintaining a limited breeding program in English Setters and English Cocker Spaniels led to Winners Dog from the Bred by Exhibitor class at the English Setter National and Best Bred By at the English Cocker National Specialty. She went on to build their handling business, along with boarding and grooming until the handling business became full time. Handling was on an all breed basis with group winners in all 7 groups and multiple Best in Show Winners.

She was a founding member of the St. Croix Valley Kennel Club, now one of the largest shows held in the Mid-West. As a member of the PHA, she was on the board of directors. Prior to joining the staff of AKC, she was approved to judge Junior Showmanship classes.

Denise Cooper, AKC Hunt Test Judge

Judge's Number: 93545 BERWYN, PA Gsd-mom@verizon.net

Denise started AKC hunt tests with her first GSP, Sparky, 8 years ago. She was almost entirely owner trained, except for an occasional hired gunner. Sparky went from Junior Hunter through Master Hunter in 13 months. Denise immediately apprenticed to be an AKC Hunt Test Judge after Sparky finished her MH with all 10's. Denise has enjoyed judging in several different locations and has experience judging on horseback. She has been a Senior Judge for 5 years after completing her provisional judging assignments. Denise has handled other dogs which I have trained and/or own in all levels since Sparky's MH. She also trains in NAVHDA and has a 3 year old GSP who is training for UT after receiving a NA Prize 1. Abe is Denise's first Bracco Italiano and she is enjoying training him to hunt. Abe will compete in AKC and NAVHDA events starting this spring. Denise has experience judging other Bracco Italianos in previous AKC hunt tests.

Tammy Draper-Hansen Bio

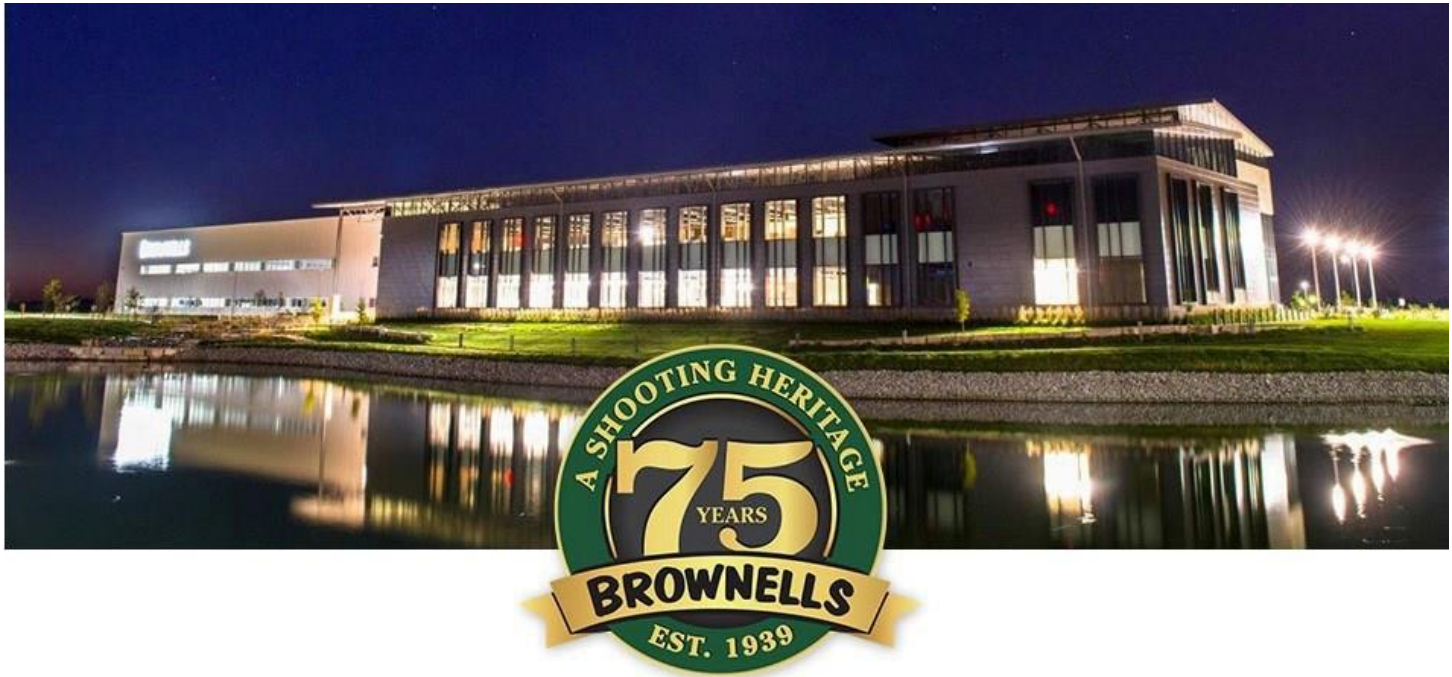

Tammy's passion for animals started at a young age on her family's ranch in California where they raised, horses, rabbits, milk goats and sled dogs for racing and also helped train K-9's for police work. After her parents divorced and she had to move to the city Tammy vowed to have horses and dogs again. In 1994 she moved to Iowa bought a horse and started helping her son with his 4-H project dogs, although this fulfilled her dream of having horses and dogs she still felt a need to do more with her passion for K-9's and to help others.

Then came the idea to learn how to do search and rescue/recovery. In 2013 Tammy had her Bracco (Tessa) donated to her. Enchanted with the breed and their strong work ethic she used Tessa for man trailing for 2 years attending multiple seminars. In 2015 Tammy began training for human remains detection with her Bracco and in 2017 she certified Tessa in Human Remains detection with the North American Police Work Dog Association. Currently Tessa is the first Bracco Italiano certified in the U.S for human remains detection. Tammy also has a blood hound mix that is certified in tracking and currently she works with law enforcement using both her K9's.

THE BRACCO ITALIANO CLUB OF AMERICA WOULD LIKE TO EXTEND A PROFOUND THANK YOU TO BROWNELL'S AND BIG SPRINGS SHOOTING & HUNTING COMPLEX FOR DONATING THEIR FACILITIES FOR OUR FIELD EVENTS!

Brownell's is the largest supplier of gun parts and gunsmith equipment in the USA. Three generations ago Bob Brownell founded the company on three words; Selection, Service, and Satisfaction. More than seventy years later their strong foundation still rests upon those words. So please, while you are in Grinnell for the BICA National Specialty, we encourage all of you to pay a visit to Brownell's and support a local family owned business!

You will enjoy visiting their showroom at 3006 Brownells Pkwy, Grinnell, IA 50112.

Big Springs Shooting Complex - Iowa's Premier Shooting Experience. Big

Springs Shooting Complex was established in 2005 by Brownells, Inc. for the purpose of providing a premier shooting facility for law enforcement agencies, shooting clubs/camps, youth groups, and private citizens.

Big Springs Shooting Complex consists of 360 acres with an additional 350 leased acres. On those 360 acres, there is a 500-yard range and a 100-yard range. The fire lines at the rifle ranges are covered by a roof. Located adjacent to the rifle ranges are two 50-yard pistol ranges. Located at the pistol ranges are two enclosed storage buildings. The rifle and pistol ranges have several different range props and steel targets. Also located on the property are three trap houses, skeet house, and a 5-stand sporting clay range. Several federal, state, county, and local law enforcement agencies utilize the rifle and pistol ranges. We also have several privately owned weapons/tactics firms utilizing our facility.

Big Springs Shooting Complex is also a license hunting preserve and has an excellent habitat for pheasants, quail, and chukar. The area is planted with native prairie grasses and flowers.

STEADY WIND KENNELS

Professional Since 1997

Bringing a new perspective to the old sport of Hunting & Behavior

Certified Animal Behavior Specialist and Professional Trainer, David Kurlander, has over the years developed unique methods free from pain or the use of fear by forming communication and structure through his research in both private and wild environments. Understanding canine emotion and psychology with our non-aggressive and gentle approach towards dogs earns results quickly and effortlessly.

Development Communication Understanding

Our unique and extremely effective choice based system encourages the natural instinct of your dog. We develop structure and communication without the use of fear or painful devices.

Our all natural approach is fast and effective and focuses on the bond between you and your dog allowing for the development of a true companion both in home and on the field.

- ✓ Professional Upland & Waterfowl Training
- ✓ Painless & Positive E-collar conditioning gets your dog off leash quickly
- ✓ Basic & Advanced Field Obedience
- ✓ Gun Dog Clinics that prevent or correct issues such as being gun shy or low drive
- ✓ Starter & Finish Dogs Available
